

The new Festival

DATE: 24.-25. February 2023

VENUE: Sweet Mother Eco Resort Aburi

THE CONCEPT

The KalaBash festival is a music festival that focuses on creativity and sustainability

A variety of foods and beverages (especially indigenous and vegan) will be offered.

Exhibitors will present their products and services in line with the theme of the event.

It is meant to attract people from the Eastern Region as well as from Accra. Ghanaians and foreigners are equally addressed. The prices should be moderate.

Locals should be favoured as exhibitors and artists.

OUR GOALS

Raising money for non-profit work to empower creatives in Ghana

Encourage the youth to be creative and to contribute to sustainable development in the economy and society

Serving as an example to show that you can achieve more with cooperation

Providing a platform for entrepreneurs who produce sustainable and innovative products in Ghana
